I am writing to follow up on our conversation concerning the McDuffie County Commission naming a portion of the new West Bypass, formerly Bob Kirk Road, in honor of GBI Special Agent Bob Kirk. As you know SA Kirk was killed in the line of duty while serving as a GBI Agent in Thomson, Georgia. After his death the county named the road that ran along the north side of the GBI property Bob Kirk Road in recognition of his service and sacrifice.

I was pleased to hear that the McDuffie County Government wanted to name a portion of the new West Bypass in his memory. Upon learning this information from you last week, I immediately contacted our Command Staff in Atlanta to relay the information. The GBI Command Staff would like to thank the McDuffie County Government for choosing to name a portion of the West Bypass in honor of SA Kirk.

Please accept this letter as a formal notification that the GBI agrees with the McDuffie County Government in naming a portion of the new West Bypass in memory of SA Kirk. The GBI looks forward to a continued partnership with McDuffie County and will assist in any way necessary to bring this project to fruition.

Please let me know if there is anything I or the GBI Command Staff can do to move this project forward.

Sincerely,

Patrick E. Morgan, Special Agent in Charge

# STATEWIDE MUTUAL AID AND ASSISTANCE AGREEMENT

County/Municipality: \_\_\_\_\_

The State of Georgia is vulnerable to a wide range of natural and man-made disasters and emergencies. The Georgia Emergency Management Act, as amended (The Act) gives the local governments of the State the authority to make agreements for mutual aid assistance in emergencies. Pre-existing agreements for mutual aid assistance in emergencies help to ensure the timely provision of mutual aid assistance and the reimbursement of costs incurred by those parties who render such assistance.

This mutual aid agreement is entered pursuant to authorities contained in Articles I through III, Chapter 3, Title 38, Official Code of Georgia Annotated.

## ARTICLE I STATEMENT OF AGREEMENT, DEFINITIONS AND AUTHORITIES

This Agreement is made and entered into between the participating political subdivisions, which approve and execute this Agreement, hereinafter called "Participating Parties" and the Georgia Emergency Management and Homeland Security Agency (GEMA/HS). For purposes of this Agreement, the following terms and expressions shall apply:

- (1) "Agreement" means this agreement, generally referred to as the "Statewide Mutual Aid Agreement" (SWMAA).
- (2) "Assistance" includes personnel, equipment, facilities, services, supplies and other resources furnished to a Requesting Party pursuant to this Agreement during an emergency or disaster.
- (3) "Assisting Party" means a party that provides assistance pursuant to this Agreement during an emergency or disaster.
- (4) "Authorized Representative" means a Participating Party's elected or appointed official or employee who has been authorized in writing by that party to request, to offer, or otherwise to provide mutual aid assistance.
- (5) "Participating Party" means a county or municipality of the State of Georgia that has become party to this Agreement by its approval and execution of this agreement.
- (6) "Participating Parties" means the combination of counties and municipalities that have become parties to this Agreement by their approval and execution of this Agreement.
- (7) "Requesting Party" means a party that requests assistance pursuant to this Agreement during an emergency or disaster.

Any term or expression not defined in this Agreement shall have the meaning specified in the Georgia Emergency Management Act, as amended (the Act) and rules promulgated thereunder, unless used in a context that clearly suggests a different meaning.

ARTICLE II  
GENERAL PURPOSE

The purpose of this Agreement is to:

1. Provide the framework to support mutual assistance in managing an emergency or disaster occurring within any political subdivision that is a Participating Party, whether arising from natural disaster, technological hazard, human caused disaster, civil emergency, community disorders, insurgency, enemy attack, acts of terrorism, other significant events or homeland security activity; and
2. Identify those persons who are authorized to act on behalf of the Participating Party signing this Agreement as their Authorized Representative(s) concerning the provision of mutual aid resources and requests for mutual aid resources related to any mutual aid assistance sought from another Participating Party, or from or through the State of Georgia. Appendix A of this Agreement shall contain the name(s) of the Participating Party's Authorized Representative for purposes of this Agreement. Appendix A can be amended by the authorizing Participating Party as needed with no effect on the entire Agreement. All such amendments to Appendix A shall be done in writing and the Participating Party shall notify GEMA/HS and all other Participating Parties of such amendment within thirty (30) days.

ARTICLE III  
ACKNOWLEDGEMENT OF PRINCIPLES

The prompt, full and effective utilization of resources of the Participating Parties, including any resources on hand or available from the State or Federal Government or any other source, that are essential to the safety, care and welfare of the people shall be the underlying principle on which all articles of this Agreement shall be understood.

In the event of a conflict between any provision of this Agreement and any existing intrastate mutual aid agreement affecting a Participating Party, the provisions of this Agreement shall be controlling.

On behalf of the governing authority of each political subdivision of this State participating in the Agreement, the director of emergency management of such political subdivision will be responsible for formulation of the appropriate mutual aid plans and procedures necessary to implement this Agreement.

ARTICLE IV  
PARTICIPATING PARTY RESPONSIBILITIES

(a) It shall be the responsibility of each Participating Party to formulate procedures and programs for intergovernmental cooperation in the performance of the responsibilities listed in this Article. In formulating such plans, and in carrying them out, each Participating Party, insofar as practical, shall:

- (1) Protect and assure uninterrupted delivery of services, medicines, water, food, energy and fuel, search and rescue, and critical lifeline equipment, services, and resources, both human and material; and

(2) Inventory and set procedures for the loan and delivery of human and material resources, together with procedures for reimbursement.

(b) Whenever a Participating Party requires mutual aid assistance from another Participating Party and/or the State of Georgia, the Requesting Party may request assistance by:

(1) Contacting the Participating Party who is the owner/operator/employer of the supplies, equipment and/or personnel being sought for mutual aid assistance (the Assisting Party); or

(2) Contacting GEMA/HS to serve as the facilitator of such request for those resources being sought for mutual aid that are owned/operated/employed by Participating Parties (where such Participating Parties have submitted a record of those resources to GEMA/HS for such use); and/or, when such resources being sought for mutual aid are owned/operated/employed directly by the State of Georgia.

The provisions of this Agreement shall only apply to requests for assistance made by an Authorized Representative. Requests may be verbal or in writing. If verbal, the request must be confirmed in writing within 30 days of the verbal request. Requests shall provide the following information:

(1) A description of the emergency service function for which assistance is needed, such as but not limited to fire services, law enforcement, emergency medical, transportation, communications, public works and engineering, building inspection, planning and information assistance, mass care, resource support, health and medical services, damage assessment, volunteer and donated goods and search and rescue; and

(2) The amount and type of personnel, equipment, materials and supplies needed, and a reasonable estimate of the length of time each will be needed; and

(3) The specific place and time for staging of the Assisting Party's response and a point of contact at that location.

The Assisting Party will (a) maintain daily personnel time records, material records and a log of equipment hours (or miles, if appropriate) and (b) report work progress to the Requesting Party at mutually agreed upon intervals.

## ARTICLE V LIMITATIONS

Any Participating Party requested to render mutual aid shall take such action as is necessary to provide and make available the resources covered by this Agreement in accordance with the terms hereof; provided that it is understood that the Participating Party who is asked to render aid may withhold resources to the extent necessary to meet the current or anticipated needs of the Participating Party's own political subdivision to remain in compliance with such Participating Party's policy, rule or law.

The Assisting Party's mutual aid resources will continue under the command and control of their own

supervisors, but the organizational units will be under the operational control of the emergency services authorities of the Requesting Party unless the Assisting Party approves an alternative.

In the event the Governor should declare a State of Emergency, any and all provisions of this Agreement which may conflict with the declared State of Emergency shall be superseded by the terms and conditions contained within the State of Emergency.

(c) It is the express intent of the parties that the immunities specified in accordance with O.C.G.A. § 38-3-35 shall apply in addition to any other immunity provided by statute or case law.

#### ARTICLE VII RIGHTS AND PRIVILEGES

In accordance with O.C.G.A. § 38-3-30(a), whenever the employees of any Assisting Party or political subdivision are rendering outside aid pursuant to this agreement and the authority contained in Code Section 38-3-27, the employees shall have the same powers, duties, rights, privileges and immunities as if they were performing their duties in the political subdivisions in which they are normally employed.

#### ARTICLE VIII REIMBURSEMENT

In accordance with O.C.G.A. § 38-3-30(b), The Requesting Party shall be liable for any loss of or damage to equipment used or placed within the jurisdiction of the Requesting Party and shall pay any expense incurred in the operation and maintenance thereof. No claim for the loss, damage or expense shall be allowed unless, within 60 days after the same is sustained or incurred, an itemized notice of

the claim under oath is served by mail or otherwise upon the designated fiscal officer of the Requesting Party. Appendix B of this Agreement shall contain the name(s) of the Participating Party's designated fiscal officer for purposes of this Agreement. ## Staff Report

RE: McDuffie County Planning and Zoning Software

Meeting: McDuffie County Board of Commissioners, February 20, 2024

From: Jason B. Smith

**Issue:** Thomson-McDuffie County Planning and Zoning is considering software alternatives to digitize many of the department's functions.

**Background:** McDuffie County's Planning and Zoning Department has had various conversations over the years about the need for software to help comprehensively manage the various requests fielded by staff – ranging from rezoning requests to inspection reports to business and alcohol licenses. With the number of planned new homes on the horizon, as well as expected increased development and the need to clearly document fees related to the department's various services, staff began intensively researching software providers in August. The software would greatly reduce the dependence on the paper-based system currently in place.

**Evaluation Process:** Staff contacted eight providers selected by various means, including Google searches, random email solicitation, providers of software for other functions, and recommendations from other communities. Four companies were selected for demonstrations to inspections, zoning, licensing and code enforcement staff. Each company provides a public-facing module, a staff-access-only dashboard and full implementation services. Vendors ranged from \$461,000 to \$50,000 for a three-year timeframe, which may or may not include plan review software.

**Facts & Findings:** Following the presentations, staff members met to discuss the companies and overwhelmingly supported the service provided by Cloudpermit. In addition, an outside reviewer evaluated the public-facing side of the software and enthusiastically recommended approval.

Cloudpermit's proposal is as follows:

- Set-up fee: \$6,000
- Annual fee: \$15,000 (first year), \$17,000 (subsequent years)
- Additional: \$4,500/year – DigEPlan plan review software
- Total expected three-year investment: \$68,500
- Timeframe: 8-12 weeks of implementation

**Recommendation:** Staff recommends approval of Cloudpermit as the provider for Planning and Zoning software at three-year cost of \$68,500, pending final revision and approval of a contract with the company.

### Alternatives:

- 1) The Commission approves the staff recommendation and provides direction to move forward.
- 2) The Commission does not approve staff recommendations and provides direction to move forward.
