Water and Sewer Commission Recommendations

From Minutes, not yet approved, of 1/19/2023 meeting.

White's Creek Sewer Line Replacement Labor Cost

"Mayor Usry made the motion to approve the labor for the replacement of 100 feet of 10-inch pipe over White's Creek, using existing pipe and piers, up to \$100,000. Chairman Newton seconded the motion and a vote in approval was taken, 7-0."

Fortis submitted the low bid of \$44,961.

Matthew Street Water Line Realignment Labor Cost

"Conversation turned to labor bids for the Matthew Street water line replacement. Materials for this project are already on hand. A motion was made by Mayor Usry to approve a recommendation of no more than \$100,000 for labor to lay the new line and cap off the old portion to be abandoned. Councilmember Smalley seconded the motion and a vote of 7-0 approved the measure."

Fortis submitted the low bid of \$75,920.
