Memorandum For: Gas Authority Board President and Board Members

From: Benjamin C. Cranford, Jr, Thomson Mayor

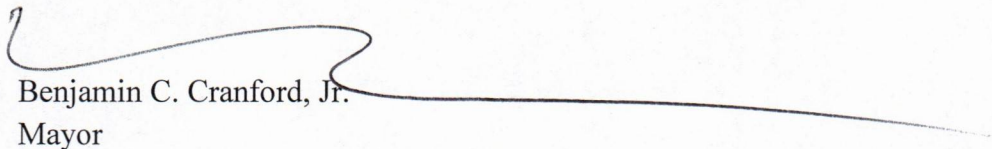

Subject: Kenneth L. Usry Gas Authority Board Service

Although Kenneth L. Usry is no longer serving as Mayor of the City of Thomson, he has time remaining on his current appointment as Gas Authority board member.

Given Kenneth's many years of dedicated service to the both the City of Thomson and the Gas Authority, I request he remain on the board though his current appointment. I fully support his desire to continue to serve on the Gas Authority Board to represent the City's and the Authority's best interests.

If there are any questions about this request please contact me at cell phone 706-825-9034 or at [benji.cranford@thomson-mcduffie.gov](mailto:benji.cranford@thomson-mcduffie.gov).

Respectfully,

  
Benjamin C. Cranford, Jr.  
Mayor
